

Presentation by GreenPlay on strategic plan with Recreation Commission in attendance

Presentation Town Land committee regarding small lots on Berry River/Long Shore Drive.

Conservation Land regarding accepting donation by Rubenstein family.

Ambulance Equipment: Cardiac Monitor, medical equipment, and stair chair (about \$40,000) from Ambulance Revolving Fund. The current balance exceeds \$100,000. Chief wants to stay with the same company for stair chair so similar to current equipment. **Will the Board approve this?**

Ambulance Bill: There is an ambulance bill in which the insurance did not pay the complete amount. The Barrington resident now cannot work and requests the balance be waived for hardship. The chief supports this request. **What does the Board wish to do?**
